

Playgroup Risk Assessment – [Insert Name of Playgroup]

To be completed by each playgroup and available for sighting if requested.

Please advise admin@playgroupnsw.org.au when you have completed the assessment. You are NOT required to send this document.

A sample risk assessment and treatment is included for your information. Other aspects to consider include:

- Cleaning products and instruction for cleaning surfaces where you are in a shared facility
- Ensuring there are instructions and amenities for personal hygiene and infection control in bathrooms

Risk Description	Specific Risk	Impact	Strategy and Action to mitigate risk
COVID-19	Attendees at Playgroup get COVID-19 from close contact	Attendee could become ill or hospitalised as a result of this contact	All attendees over 16 are checked for a COVID-19 digital certificate prior to entry
