

# Mother's Day Heart Card!

ART &

CRAFT

ACTIVITY

A fun activity for you and your child, that supports fine motor skills, language development and creativity. It also gives opportunity to discuss emotions and the importance of our loved ones in our lives.

## What you need:

A piece of paper

Glue and scissors

Coloured paper, crepe paper, ribbon etc

## Language you can use!

+ Talk about your actions e.g. "cutting", "tearing", "gluing".

+ Talk about other things your child loves e.g. mum and dad, pets, going to the park, favourite toys.

+ Discuss feelings and how we care for one another

## What to do:

- + Fold your piece of paper in half, and draw a large heart on one half.
- + Help your child tear or cut the paper and other materials into small squares.
- + Put the materials into different bowls, and allow your children to choose materials, and glue them onto the heart.
- + Your child can help you choose what to write on the card e.g. I love you to pieces!

## What your child is learning from the Early Years Learning Framework (EYLF)

- + Outcome 4: Children are confident and involved learners
- + Outcome 5: Children are effective communicators
