

A message from our CEO, Nadene Lee:

As we refocus our efforts on our playgroup and member activities in this new Term, we would like to welcome you all back, and provide an update on Playgroup NSW response and activities related to COVID-19.

The Playgroup leadership team and managers continue to meet regularly each week - to work through the current environment and determine the best course of action for the organisation, our playgroup coordinators, our member families and other partners.

Continued suspension of playgroups – The NSW government has eased restrictions from Friday, 15th May, however these restrictions are not relevant for our playgroup communities as we are unable to manage the social distancing requirements to remain 1.5 metres from others. Playgroups will remain suspended, but we are pleased to be able to offer a digital service as a way of keeping our communities connected and engaged.

Playgroup at Home – We encourage you to join our Playgroup at Home page here: <https://bit.ly/3clJSCJ> and experience the amazing resources and activities. This is a place to share your own experiences, and discover new ideas to share with your children.

Virtual playgroups – All of our supported playgroups are now delivering a digital service to our families so please email us on admin@playgroupnsw.org.au for any enquiries about Virtual Playgroups in your area.

We will be in contact again shortly, and look forward to making memorable play experiences with you and to supporting each other in the meantime.

Regards,

Nadene Lee
CEO
Playgroup NSW
