Playgroup suburb
Mount Victoria

Volunteer Name
Juliet

Venue type

- Community Centre
- Church
- Park
- School
- Preschool
- National Park/
council bush reserve

How many playgroups do you run each week? One per week.

Average attendance
Adults: 5 Children: 6

How many years has your playgroup been operating?
Since October 2025.

How many years have you been leading your playgroup?
Since October 2025.

How do you advertise your playgroup? Local community board and local community pages and groups.

What makes a good playgroup thrive? A warm welcoming to each family and consistency in showing up to run it.

What creative and fun activities do you do at your playgroup? Nature crafts, bush walks, building forts with sticks, wildlife watching, play music and sing songs, handmade wooden blocks from tree prunings, handmade wooden rounds for necklace making, small wooden logs for fairy tree ladder making.

Please share with us the impact of playgroups: Bringing families together in a bushland setting has seen little ones development and connection to nature thrive to the families who come. We love seeing the different ages of little ones joining in with the play and they even help set up and pack down giving them independence and team work opportunities. It is vital for playgroups to exist and connect families with little ones in our communities so they learn about the spirit of community at a young age and it will hopefully continue on throughout their lives.

Describe your playgroup in 3 words? Adventure, Freedom, Connection.
